ABOUT US

Bombay Rolling Shutter pioneers name in the field of rolling shutters. The company was established in 1995. We are one of the prominent manufacturers and suppliers of a wide range of Shutters and Gates. Apart from these, we also provide Windows, Stainless Steel Railings and MS Grills, which are used for construction purposes. Manufactured using superior quality raw material, our range of product is extremely durable and corrosion resistant. We also offer these products in different sizes and shapes, which meets the diverse requirements of the clients.

Our organization has a well developed manufacturing unit, where these products are manufactured using latest technology. We also ensure that every product is tested before being delivered to the clients. Our huge distribution network helps us to make our products deliver to the clients within the stipulated time period. In these years, we have expanded our market base across the country and acquired many reputed clients.

QUALITY ASSURANCE :

We have set quality as our main objective, since we have stepped into this business. Our range of Shutters, Gates, Windows, Stainless Steel Railings and MS Grills are manufactured using superior quality raw material, which are procured from trusted vendors. Starting from the procurement of raw material to the final delivery, our range is subjected to extensive quality checks. The products are tested by our quality controllers on the basis of the following parameters:

- Design
- Corrosion resistance
- Construction
- Finish
- Dimensional accuracy
